### SCHOOL HOLIDAYS ARE HERE!

Holidays should mean fun and relaxation, but in reality can signal stress, money and endless cries of "I'm bored". If this is sounding all too familiar perhaps it's time to rethink your approach to school holidays. Not every thing has to cost money. Remember all the free fun games and activates you enjoyed as a kid before Play Station and X Box! Some holiday tips:

- ☺ checkout the local paper for free library or council activities
- ☺ plan an expedition - walk, bike or bus - take a snack or picnic
- ☺ kids love to cook
- ☺ help with a home project - gardening, tidying their room or re -organising rooms or the garage
- ☺ playdough, finger paints, water play, bubbles & tent play with sheets
- ☺ organise a family performance, dance, song, play
- ☺ visit local Marae or family & friends you haven't seen for a while.
- ☺ checking and treating for head lice.
- ☺ Finding and organising uniform and school needs for Term 3.

Enjoy the break and I look forward to seeing everyone safe and well and ready to learn on Monday 24 July.

Nga mihi nui te whanau
