## **CONFIRMED COVID-19 COMMUNITY CASES**

Kia ora te whanau,

We are aware there is a confirmed COVID-19 case in our community. We are working to identify any contacts connected to the confirmed cases.

While we are working through the list of contacts, we are closing the school for tomorrow Friday 3rd December.

We will provide you with information on what you need to do by tomorrow, as we receive it via our Facebook page, web page, text or email.

In the meantime, stay home, stay calm, be kind, look after each other, until we can provide further update.

Ngā mihi nui ki a koutou
