

What's happening at Marfell?

Week 7 Term 2 2021

Kia ora, Talofa lava, Kia orana, Fakalofa lahi atu, Mabuhay, Saludos para ti, Bula vinaka. We were host to Vas Kovalaski and the "Be Bright Eat Right" magic show last week. The show taught children about healthy eating and how much sugar is in foods. This was very interesting. The magician used several children as his assistants. Thanks to Isabella, Arlee and Locky for their help! It was great to have a show like this at school and the children loved seeing the magic tricks.

Sushi Ninja

This year we are having a focus on attendance and ensuring that children attend school every day so that they learn and can be successful. Sushi Ninja have been keen to support us in this initiative and have donated meal tickets. Each month all the children who have 100% attendance for the month will go into a draw and four will receive a meal voucher!

Fuel Breaks

The children are all really into sport at the moment and are enjoying fuel breaks playing soccer, basketball, netball, and touch. We would like to invite any parents who may feel like joining in to come down. The children really respond to positive role models on the sports field and would love to see you. Fuel breaks are 11.00 - 11.30am and 1.15-1.45pm daily.

Coming Events and Dates to Note

Monday

Basketball at the TSB stadium

Tuesdays

Netball. After school. Waiwakaiho Netball Courts.

MANA FOCUS: AWHINA

This week the MANA focus is on awhina. We will all be learning about how to show caring to others and ourselves.

Safer Schools Survey

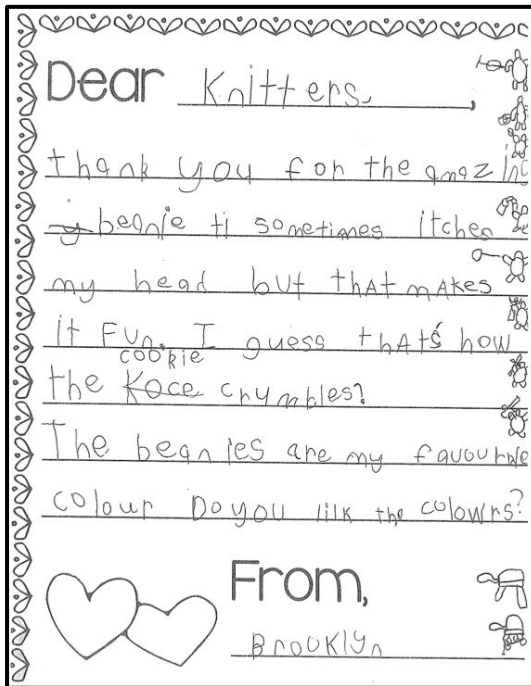

The council is planning how to improve the roads and access around Marfell Community School. They would love to hear from you.

newplymouthnz.com/HaveYourSay

Feedback closes Friday 18 June.

Great Achievements

We have had so many this week! **Oracle Grindlay** has made over a years progress with her reading in one and half terms! Three boys have also done some wonderful writing. Well done Condrake, Brooklyn and Raven!

Attendance

HUGE congratulations to whanau. 99% of children who were struggling with attendance have improved and the teachers are reporting that they can already see a positive improvement on learning. I am really excited by this, as it is setting these children up for a successful future where they have choices and and can choose any career they desire.

Marfell Community School
