

What's happening at Marfell?

Week 6 Term 3 2020

Welcome to the end of Week 6. We had a very exciting week with the Tuff Turf being laid in the Whare Manaaki and on the junior courts. They have really added to the areas and our school looks great. We are presently seeking the funding to get the senior courts turfed also. The year 5 and 6 children are off on camp. Many thanks to Mrs Steenson and Mr Knox for providing this experience. And to all the wonderful parents who made the experience possible for their children.

TERM 3 MANA LEADERS

Our Term 3 and 4 MANA leaders are: Aaliyah Ngaheu, Jericho Nuku, Zavanah-Rae Benge, Arlandshay Niwa, Kaya Pouha. We are very proud to have them represent our school as role models and leaders.

KAPA HAKA...

We are very lucky to have Papa Val join us for the remainder of the year to teach Kapa Haka. He very experienced with Kapa Haka and has a long history with the school.

Papa Val will not be available next year so please keep your eyes open for another tutor for our group.

House Keeping Reminders for Whanau

UNIFORMS

A reminder that school uniform is not optional. Children **MUST** wear their school uniform. Black pants, red polo shirt and the school polar fleece. This applies to all children.

CURTAINS

Lizbeth and I are making patchwork curtains for the Whare Manaaki. We are looking for able sewers to help with the task. It is only sewing squares together or the side seams etc. Any help welcome.

Here is an example of one of the patchworks we have created. Turning it into a curtain is the next step

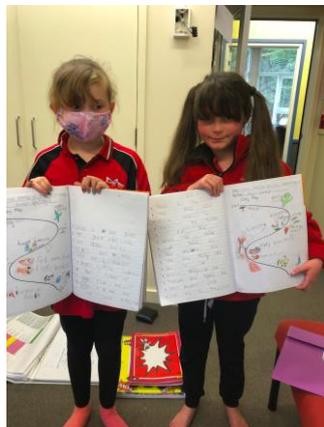

SEATBELTS

We have seen a number of children either arriving to school or leaving school in cars and not wearing seatbelts. This is illegal and completely unsafe. Please ensure that your child wears their seatbelt whenever they are riding in the car.

BROKEN BOTTLES

Children are hanging out in the skatepark and BMX track after school and in weekends. Some children are getting up to mischief and smashing bottles. This is not good for either the area and poses the potential for cut feet. Please talk with your children about this.

GREAT ACHIEVEMENTS

Zoey (Rm 7) and Kayla (Rm 7) have planned a story in detail showing the beginning, middle and end. They have done an amazing job and are sure to be published authors one day.

WELCOME

Welcome to Armani-Rose. Our newest addition to Room 6. Armani has just turned 5 and she is loving being at school.
