

What's happening at Marfell?

Week 1 Term 4 2021

Kia ora, Talofa lava, Kia orana, Fakalofa lahi atu, Mabuhay, Saludos para ti, Bula vinaka.

Welcome back to the beautiful summer term 4! As the country continues to be affected by the Delta outbreak we find ourselves very happy to be in New Plymouth and not back in Level 3. As you all know the situation is very changeable and events can happen very quickly. We thank you all for your support in this and appreciate the way we can all work together in these uncertain times.

Photos: 1) The blossom bus. This has been created in the library by some very talented children and has become a favourite for play. 2 and 3) Indoor netball is in full swing and continued through the holidays.

Massive Thanks...

As Ashley and RRT (Rapid relief team) has donated wonderful hygiene kits to the school. These have toothpaste, deodorant, soaps etc and will be very helpful when required.

Massive thanks to Poppies Bookstore for their donation of a set of Morris Gleitzman books. These will be great for our more advanced readers.

General Reminders

Hats

Now that we are in the summer term hats are required to keep children safe from the sun. Please ensure your child has a bucket hat ready for school from Tuesday 26 October.

Rubbish

Some Marfell children were seen in the community throwing rubbish and not putting it in the bin. Could all whanau please have a chat with tamariki about the importance of being a tidy kiwi.

Unite against COVID-19

PROTECTING OUR TAMARIKI, STAFF, & COMMUNITY

Auckland and parts of Waikato are at Alert Level 3. Alert Level boundaries are in place around these areas. Travel into, out of, through or within different Alert Levels is highly restricted. That is to minimise spread of the virus. The rest of New Zealand is at Alert Level 2.

Do not travel unless it is absolutely necessary. Attempting to cross a boundary without permission is an offence.

If your whanau have crossed Alert Level Boundaries into Auckland or Waikato, we will need to take a precautionary approach before your child's return to school to minimise a potential high impact within our school community.

Please contact the office before your child returns to school to complete a risk assessment. Keep our community safe.

Coming Events and Dates to Note

Fridays or Sundays

Indoor Netball - times to be advised. (This will continue through the school holidays)

Monday 25th October

Labour Day

Tuesday 26th to 29th October

Year 5 and 6 day camps

COVID Vaccination Clinic

A COVID vaccination clinic will be running from the Marfell Community Trust building for the next six weeks. This will be held Wednesday mornings. Please take advantage of this opportunity if you require a vaccine.

Well done Mrs Coles!

Mrs Coles has been working hard in our school & community gardens and her efforts have been rewarded with this enormous cauliflower. Understandably she is very proud of it! The cauliflower will feed tummies through the school lunch programme.

Marfell Community School

Check out Facebook for more updates!

Have a great and wonderful week!
