

What's happening at Marfell?

Week 8 Term 4 2021

Kia ora, Talofa lava, Kia orana, Fakalofa lahi atu, Mabuhay, Saludos para ti, Bula vinaka.

The year has whizzed by and we have reached another sad farewell as our Year 6 students depart for their next great adventure. We have thoroughly enjoyed watching them grow from young five year olds into the strong leaders they are today and we will miss them all greatly.

The last week of school is a very busy week with all of the end of year events and we are really looking forward to spending this time together as we wind up 2021.

We Farewell...

It is with great sadness that we are farewelling Mr. Knox this year. Mr Knox has been with us for four years and has certainly made a positive impact upon the school. As well as winning Coach of the Year, Sam also won Taranaki Teacher of the Year 2020. He has proven himself to be a capable and very talented teacher and we are broken hearted to say goodbye to him. We wish you all the best for your future Sam and we will all miss you terribly.

We also sadly farewell Joy Mula who has been the head caterer this year in charge of the lunch programme and making our yummy lunches. Irene Chu will fill this position in 2022.

Over the Holidays...

It is really important that over the holidays children continue to read and be read to. Reading is a wonderful experience that takes us to new places and on new adventures as well as being a vitally important life skill. I look forward to the start of next year and hearing all about the stories children have read over the holidays.

Christmas Shoeboxes

We know that some whanau like to collect their child's Christmas Shoebox early so they can tuck it away for Christmas. If you would like to take your child's Christmas Shoebox early they can be collected from the school office by an adult.

Great Achievements

Bryher had us all very entertained at the pool this week with her funny flipper walking. Thanks Bryher you spread a lot of joy with your crazy sense of humour.

Surf lessons for kids and teens!

Surfing is a great way for kids to learn about the ocean and gain new skills. Children and teenagers can learn how to surf in a safe and fun way. For the kids surf groups, there is one instructor per 4 or 5 children, depending on the conditions. Therefore I am able to provide personal coaching for every surfer. The kids surf lessons are always held in the white water waves, close to the beach. My goal is to make your kids happy and introduce them to surfing in a safe way. The lesson is approx. 1 hour water time and it takes almost 1,5 hours in total. Wetsuit and surfboard are included. Cost: \$45 per person per lesson. Location: Fitzroy beach.

To book a lesson, please get in touch with Karine Bödeker 0273075842,
